Re: Class Reunion for June 2003

It's time for our 10-year reunion.

The Sumter High Class of 1993 is pleased to present you with the attached agenda and registration package for our 10-year class reunion. It is very important that everyone who plans to attend the events complete the registration forms and mail them back along with your payment (checks, money order and/or cashiers check) to the attention of Sumter High C/O 93 Reunion no later than by May 16, 2003. There will be no exception of attendance at the events if you have not RSVP or paid your registration fees ***IN FULL*** by the deadline. The month of May will serve as confirmation Month to confirm who and how many will be attending etc...

A reunion is a celebration of life not just your life, but also the lives of all those around you. It offers you an opportunity to revisit a period of your past that had so much influence in guiding you to become what you are today. It is an affirmation of your successful transition from youth to maturity, and the good news is, you have survived. Many people share that triumph with you. These are such infrequent yet very important opportunities in your life. In order to make this a fun and successful occasion we need your participation. I encourage you to attend the class reunion and to share those accomplishments and achievements with us.

The cost of the reunion will be \$40 per Sumter High Alumni and \$28 for a spouse/guest. In order to keep your cost at a minimum this cost will only include food and entertainment for both Saturday events (Family Bar-B-Que and Banquet) and a souvenir grab bag.

We are still in need of assistance in planning the activities for the Banquet/Ceremony and Family Bar-B-Que. If you are interested in planning the program for the Banquet and/or helping with the Family Bar-B-Que please contact Brian Bean or Francesca Solomon.

If at any time you have any question regarding the events, please do not hesitate to contact Brian or myself.
